“The mind is not a vessel to be filled, but a fire to be kindled.” – Plutarch

In every child, there is a world waiting to be explored. We are committed in our mission to inculcate a state of happiness, kindness in every child to ensure a peace-loving and harmonious world.

Since its inception, Podar International School Ahmednagar has endeavoured to transcend learning beyond boundaries. We are devoted to set benchmarks in nurturing children to grow into strong, matured, kind and intelligent adults, who are original in their ideas and decisive in their actions.

Mahatma Gandhi rightly said “The best way to find yourself is to lose yourself in the service of others.” Firmly believing in our core values of **Courage, Compassion, Equality and Integrity** we at PIS Ahmednagar aim to nurture our students so that they are well equipped to face the competitive society with value-based knowledge and skills that have contributed towards the growth and vision in building global citizens and a conscientious humanity.

The Education System is undoubtedly the foundation of a nation, as it should result in more civilized, literate and empowered citizens who are consciously driven by ethics and moral values. India is a multilingual, multi-religious and multicultural society with a plethora of cultures. A strong base in social and emotional values is vital for the survival of any society. Speaking of social-emotional needs, the way these skills are inculcated is also something to take note of. Gone are the days these skills are imparted by ways of mere “dictation”. Children should be taught skills that take care of their socio-emotional needs through enjoyable streams.

Acts of Kindness

Imagine a world where you can succeed by being nice.
Where we all pay it forward.
Where people look out for each other.
It all starts with an act.

Read a book
for someone.

Check in on
loved ones.

Hold the door
for someone.

Leave a bowl of
water for birds
and animals.

Plant a
tree.

Give someone a
gift for no reason.

Compliment a
stranger.

Give a coworker/
classmate kudos.

Donate old clothes
to charity.

Buy school supplies
for someone else.

Bake cookies for
a neighbour.

Pay for the person
behind you.

My idea of Kindness

Kindness

Kindness something we all forgot, Kindness feelin' something we don't know, Kindness something we would have shown, Kindness something have to teach th world again.

Kindness is helping people, do the help to a stranger, see the smile which isn't faken, something which makes you happy. Believe in Karma, if people fooled you, they're gonna pay for it just wait and watch for it...

Karma always returns, deeds get settled, Makes you feel better, positive aura getting wider, It's like sugar sweetning you life, Brightening your future, changing your nature, Trust me I am not doing bluff here.

Kindness something you just remembered, Kindness hope you got it, Kindness something changing the life, Kindness we taught the world again Kindness....

Kindness Is Always Right

Everyone how meets me,
Tells me to be kind
But how please explain if you don't mind.
Grandma says be kind and don't you ever shout,
Grandpa says be kind and don't ever revert,
Mother says be kind and listen to the elders,
Father says be kind and help the beggers.
Teacher says be kind and do not fight,
Now I understood kindness in Right.
Kindness means to be calm and selfless,
Kindness means no anger in any case.
Kindness means always ready to cater
Kindness means ignore and always be better.
Kindness is a lovely emotion,
In all ways it gives me promotion.

My idea of Kindness

My Idea of Kindness

Kindness is an inner desire that makes us want to do good things, even if we do not get anything in return. It is a joy we receive that drives these simple acts. When we perform an act of kindness, driven solely by an insatiable desire to love another. There is a kindness in everything we think, say and do. Kindness is a way to make connections. It's a simple but powerful way to build a bridge between hearts. Kindness is free, sprinkle it everywhere. The smallest act of kindness is worth more than the greatest information. Sometimes it takes only one act of kindness and caring to change a person's life. There's no such thing as a small act of kindness. Be a little kinder than you have to be.

People and Kindness

Kindness is an admirable virtue. To be kind we must be good to people around us. Very few people have this quality, but it can be attained with the right guidance. Kind people are caring, polite and generous. They always help other people with their problems. Kind people offer support and are always there for each other. Not only to other people, but we should also be kind to animals. Kind people never hurt anyone. To be kind one needs to be caring and good at heart. Kindness motivates people and makes them happy.

Sharing and caring

Kindness is a quality of sharing and caring. When we share what we have with others and care for the well being of others we are showing kindness. Similarly if we feel for others when they are suffering we should be empathetic to others. Kindness increases our quality of life by bringing people and society closer together and reducing hatred, negativity and jealousy. Kindness is important to make this world and our society better. Even for our growth, kindness is important. Selfless act performed by an individual in order to make someone happier without any compensation is the best act of kindness.

Ripple Effect of Kindness

In a heartwarming display of humanity, acts of kindness are spreading like wildfire, illustrating the contagious nature of compassion. From small gestures like holding doors to grand acts of generosity, individuals worldwide are embracing the ethos of goodwill. Social media platforms are abuzz with stories of strangers helping strangers, igniting a chain reaction of positivity. Psychologists affirm that witnessing kindness prompts individuals to pay it forward, creating a ripple effect in communities. Amidst global challenges, the surge of altruism serves as a beacon of hope, reminding us of our collective capacity to uplift one another through simple acts of kindness.

The Power of Kindness Spreads Worldwide

In an era marked by divisiveness and uncertainty, a heartening phenomenon is emerging: the contagious spread of kindness. From bustling city streets to remote villages, acts of compassion are igniting a ripple effect of positivity, transcending borders and cultures. Whether it's a smile exchanged between strangers or a generous donation to a cause, these gestures of goodwill resonate deeply in communities worldwide.

Social media platforms have become a catalyst for spreading tales of kindness, amplifying their impact and inspiring others to follow suit. Psychologists suggest that witnessing acts of kindness triggers a release of oxytocin, a hormone associated with feelings of trust and connection, motivating individuals to engage in similar behaviors.

Amidst global challenges, such as the ongoing pandemic and political unrest, the prevalence of kindness serves as a beacon of hope. It reminds us of our shared humanity and our capacity to make a positive difference in each other's lives, even in the face of adversity.

As the adage goes, "kindness begets kindness." Each act of compassion sets off a chain reaction, creating a domino effect of goodwill that transcends geographical boundaries and societal barriers. In a world often marred by strife and discord, the contagious spread of kindness offers a glimmer of light, illuminating the path towards a more compassionate and harmonious future.

Kindness is Cool

When life flies by so very fast,
And it gets busy every day,

Kindness becomes a gift we give
In so many different ways.

Being kind is important,
Every minute, everyday.

We show kindness with our smiles,
By what we do and what we say.

When I help a friend that is feeling sad,
Or I do an extra chore,

I am spreading kindness everywhere!
And soon there will be more!

Verses on Kindness

(Poems)

Kindness is cool

Let's be hip
Come on let's be cool
Being nice to one another
The golden rule
Let's be down
To play it fair
And treat everybody
With love and care
Let love, kindness rule the day
Let's make meanness go away
Kindness is cool.

Don't let bullies rule 50 way not cool
Kindness is cool

Keep it smooth and full of compassion.
Being kinder and gentler is now in fashion

When care and honour rule the day we can live a better way
Kindness is cool

Kindness

In this rough world,
Try a little kindness
Instead of being harsh,
Try a little kindness.
Instead of complaining,
Try a little kindness
Come-along , you can't go wrong,
If I can, you can.
Find a helping hand ,
Make a difference in our plan.
Honesty is a gift to give,
Tell a truth, do not tell a lie.
Stand up for what you know is right,
Be sincere, it is must
Honesty means earning trust

KINDNESS

KINDNESS , it can change the world...
For every boy and every girl.
There is nothing wrong with being kind.

It's best to do, it is right.
Kindness is simple and it's free
It's what everybody always needs.
Kindness is far, big and small...
For old and young, for us all.
Be kind be kind let's all be kind.
Must say"please" and "thank you" too.
And help each other through and through
Kindness never goes out to style,
So be kind and you bring a smile

KINDNESS

Just a little beet of kindness,
Can go such a long, long way,
It can give someone real hope,
And even a much bright day,
The world knows much cruelty,
From cradle to the grave,
But, jesus left us an example,
When all our send he forgave,
If we choose to treat others,
With that same type of love,
Being both kind and forgiving,
God will smile down from above.

An Act Of Kindness

Few days ago my father had organised a 'Health Check-up Camp' in an Old Age Home. Before the health check-up camp started, in the morning we served the people with some food. I and my grandmother helped my father to serve them the medicines after their check-up. We also saw the campus where they lived and checked whether it was clean or not? My father also explained them the importance of a healthy and fit lifestyle through a short speech.

All the people there were really grateful and were very happy for our service rendered to them. Even we slept peacefully that night with the thought and satisfaction of helping someone in need. Thus it is rightly said that 'Kindness is free to give, but priceless to receive.'

शेतकरी आणि गाय

एका गावात शाम नावाचा एक शेतकरी राहयचा. त्याच्याकडे एक गाय होती. ती रोज भरभरून दूध दयायची. पण एकदा गाय आजारी पडली आणि तिने दूध देणे बंद केले. मग शामने तिला हाकलून दिलं. शेतक-याला आपली गरज नाही असे समजून ती बिचारी गाय तेथून निघून गेली. वाटेत चालता, चालता गाय पडली. तेव्हा त्या रस्त्याने राम नावाचा शेतकरी चालला होता. त्याने त्या गाईला पाहिले. राम नावाच्या शेतक-याने त्या गाईला घरी आणले. तिची खूप सेवा केली आणि थोड्याच दिवसात ती बरी झाली. काही दिवसांनी तिने एका गोंडस वासेराला जन्म दिला. ती परत दूध देऊ लागली. तो तिची खूप काळजी घेऊ लागला. गाईचे दूध विकून तो खूप श्रीमंत झाला. ही गोष्ट कळताच राम, शामच्या घरी आला आणि त्यांच्याशी भांडू लागला; पण रामने गाय परत देण्यास नकार दिला. शाम म्हणाला मी तुझी तक्रार करेन. दुसऱ्या दिवशी संपूर्ण गाव जमा झाले. संपूर्ण म्हणाले आता या गाईलाच ठरवू द्या तिला कोणाकडे राहयचे आहे. त्यांनी गाईला दोघाच्या मधोमध उभे केले. तेव्हा गाय रामकडे गेली आणि त्याचा हात चाटू लागली. कारण गाईला शामचा स्वार्थीपणा व रामचा चांगुलपणा दिसून आला होता. संपूर्णानी गाईला रामच्या स्वाधीन केले.

Act of Kindness I have experienced

One cold winter evening, while waiting at a bus stop after a long day at work, I realized I had forgotten my gloves at home. Shivering in the biting cold, a stranger approached me and handed me a pair of gloves without saying a word. Their kind gesture warmed not just my frozen fingers but also my heart. I thanked them profusely, overwhelmed by their generosity.

As we waited together for the bus, they shared a bit about themselves, and we engaged in a pleasant conversation. When the bus arrived, they insisted that I keep the gloves, saying they had an extra pair at home. Their selflessness and compassion left a lasting impression on me, reminding me of the importance of kindness in our daily lives. Since that encounter, I've made it a personal mission to pay forward the kindness I received, striving to be a source of warmth and comfort for others in need. In a bustling city, amidst the chaos of daily life, a simple act of kindness unfolded. Sarah, a young woman struggling with groceries, dropped her bags as the bottom tore open. Without hesitation, a passerby named Alex rushed to her aid, helping her gather the scattered items.

Grateful for his assistance, Sarah thanked Alex profusely. Moved by her sincerity, Alex offered to carry her groceries to her apartment nearby. Along the way, they shared stories and laughter, forging an unexpected connection. As they reached Sarah's doorstep, she offered Alex a small token of appreciation. However, he declined, saying her gratitude was more than enough. Their encounter left them both with a warm feeling in their hearts, reminding them of the beauty of human kindness.

From that day forward, Sarah and Alex became friends, bonded by a shared belief in the power of compassion. Their chance meeting blossomed into a lasting friendship, fueled by the simple yet profound act of kindness that brought them together.

The kindness of old woman

One day in the evening Rita was returning home from school, it was getting dark. So, she was in a hurry. At the same time, she heard a cry in the street, she went closer and saw an old lady lying unconscious. She said that she was dying. She took mercy on her. The old woman was taken to hospital. On the way, the old woman asked Rita What is her name? Rita replied that her name was Rita, It took them two hours to get to the old woman's life but they failed. Before she died, she had written a letter stating, "All my property goes to Rita who helped me to bring it to the hospital" The next day Rita went to the hospital. The doctor asked her if she was Rita" Yes. I am , replied Rita. She knew there was now her name on the property. She became very happy and lived happily.

Seven miles for me

Leaving a store, I returned to my car only to find that I'd locked my keys and cell phone inside. A teenager riding his bike saw me kick a tire and say a few choice words. "What's wrong?" he asked. I explained my situation. "But even if I could call my wife," I said, "she can't bring me her car key, since this is our only car." He handed me his cell phone. "Call your wife and tell her I'm coming to get her key." "That's seven miles round trip." "Don't worry about it." An hour later, he returned with my key. I offered him some money, but he refused. "Let's just say I needed the exercise," he said. Then, like a cowboy in the movies, he rode off into the sunset.

Kindness in Nepal

Never have I met a people more abundant in goodwill than the Nepali.

Some backstory: Tim and I arrived in Nepal during a fuel crisis last November, only six months after the cataclysmic earthquake that left so much in ruin.

Albeit the difficulties, there was no lack of generosity. Because of the fuel crisis, we had to resort to travelling sitting on the packed roofs of buses. Men would come to our aid to help lug our heavy packs aboard, then made sure Tim and I had ample space.

One ride in particular, there were three college students on their daily hour-long commute. We all had the same stop and when it came time to pay, the driver signaled that the young boys had taken care of our fare!

These students, usually the most economically strapped in society, gave to us visitors as a gesture of gratitude for visiting their country despite the circumstances it was facing. It was a very humbling moment for us.

Stories on Kindness

The story of kindness

Today I am going to tell you how I help poor people. One day I was going outside with my father then I saw a few children outside the 'SAVALI' orphanage, they were playing. Then I asked my father, why these children are here? Why are they not at their own house? Then my father said to me that, these children don't have their own house. Mom and Dad so, they live here in an orphanage. When I heard this, I felt very bad for them. Then I thought that if I celebrate my birthday in the 'SAVALI' orphanage. Then I shared this idea with my father, and he said, it's a great idea. He also said "Very good" to me.

Since that day I have been celebrating my every birthday at SAVALI orphanage. I also give clothes, shoes, chocolates, cakes, etc.... to the orphanage. That one smile makes my birthday more special.
