Dear parents,

Warm greetings to you all!

We welcome you to the Term 2 of the academic year 2023-24.

**Periodic Test 2(G 3-8) and Periodic Test 3 (G 9,10) is scheduled from 14 December 2023.** Portion list and time-table is already shared with you on 14 Nov. through loop learning. Please save the same and help your child get into regular study habits. **Children should study textbooks regularly and should not be relying on just notes as the assessment will be done on application level and not just rote learning.**

Also, all children irrespective of age should be encouraged to take ownership of their learning, submission of work in time.

In case of absence, they must complete their work and submit to the teacher.

Each child, each case would be different and hence we urge parents to keep checking diary and loop learning announcements regularly and reach out to teachers for any further clarifications/help.

**Just a discussion in any whatsapp group would not solve any problem.**
