**Dear Parents,**

**Subject:** Coronavirus COVID-19: Advisory and re-scheduling exams

At the onset of this circular, we would like to remind you that ‘Panic causes tunnel vision’, so let us remember to stay calm and stay informed.

The School will follow all Government Advisories & Guidelines with regards to precautionary holidays and will keep our parents informed in a timely fashion.

As we are all aware that the virus (COVID-19) is contagious, we request you to follow some small precautionary measures and also reiterate the same with children like washing hands with soap frequently, avoid touching eyes nose and mouth, practice healthy respiratory practices and maintaining good distance from people. **It is also recommended that travelling outside the country or to crowded places unless it is unavoidable, be kept to the minimum.**

Please find a link that you can share with your children to guide them through simple precautionary measures.
