Subject: Strategic Section Allocation for Academic Year 2026-27

From: The Office of the Principal

To: Parents of Grades 1 to 8

Dear Parents and Guardians,

As we prepare to enter the 2026-27 Academic Session, we are focused on creating a balanced, vibrant, and inclusive learning environment for every child. To achieve this, it is our established practice at PIS Davanagere to shuffle class sections annually.

The Purpose of Section Shuffling: A fresh start in a new section offers several developmental benefits for our students:

1. **Building Social Intelligence:** Meeting new classmates helps children step out of their comfort zones, develop adaptability, and build wider social circles—essential life skills for the 21st century.
2. **Balanced Learning Environments:** We ensure an equal ratio of boys and girls in every classroom to promote healthy gender perspectives and peer learning.
3. **Optimized Class Dynamics:** By incorporating new admissions and adjusting for withdrawals, we maintain an ideal student-teacher ratio and a diverse mix of academic and creative talents in every room.
4. **Fresh Perspectives:** A new group dynamic often sparks renewed interest in classroom participation and reduces "clique" behaviors, ensuring every child feels included.

The "Peer-Support" Initiative: We understand that while change is good, emotional comfort is vital. To ensure our students feel secure, we are introducing a collaborative approach to section allocation:

- Through the Google Form link provided below, **every child may nominate two close friends** they would like to have in their upcoming section.
- Our teachers will ensure that **at least one of these friends** is placed in the same section as your child for the 2026-27 academic year.

Your Action Required: Please sit with your child and fill out the following form to help us in this transition.

At PIS Davanagere, we believe that change is the fertile ground where growth happens. We thank you for your continued trust and partnership as we prepare our children for a successful year ahead.
