Circular: Grades 1 to 10

Date: 6 August 2026

Subject: Launching "Class of the Week" & "Class of the Year" Awards 2026-27

Dear Parents,

Greetings from Podar International School, Davanagere.

With a vision to foster a healthy spirit of collaboration, collective responsibility, and holistic excellence among our students, we are thrilled to introduce two prestigious school-wide recognitions starting this term: **The Class of the Week Award** and **The Class of the Year Award**.

The core objective of these initiatives is to nurture exceptional campus discipline, team spirit, mutual accountability, and overall learning efficiency within every classroom community.

To ensure fair recognition, the evaluation will be conducted across two distinct categories:

- **Category I:** Grade 1 to Grade 4
- **Category II:** Grade 5 to Grade 10

I. The Class of the Week Award

Every **Thursday morning during the school assembly**, the winning class in each category will be honored with a prestigious **Rolling Trophy**, which will reside proudly in their classroom for the entire week.

Our panel of teachers & coordinators will evaluate the classrooms daily based on the following comprehensive criteria:

1. **Class Discipline:** Orderly behavior during class transitions, assemblies, and recess.
2. **Classroom Cleanliness:** Maintaining a neat, litter-free, and well-organized learning space.
3. **Perfect Uniform:** Adherence to the complete, neat, and correct school uniform code by all students.
4. **Punctuality:** Ensuring maximum on-time arrival to school and zero late entries.
5. **Daily Attendance:** Consistently high daily student attendance.
6. **Peer Support & Collaboration:** Active participation in class activities and demonstrating kindness and mutual respect among classmates.

II. The Class of the Year Award

This ultimate institutional honor recognizes the class that demonstrates sustained excellence, grit, and unity throughout the entire academic session. The winning classes will be celebrated at a grand final gathering annually in both the categories; Grades 1 to 4 & Grades 5 to 10.

The cumulative evaluation for this award will be based on:

1. **Consistency:** The total number of "Class of the Week" titles won throughout the year.
2. **Sustained Attendance:** The highest overall class attendance percentage across both terms.
3. **Academic Excellence:** The collective overall academic performance and progress of the class in Term I and Term II.
4. **Co-Curricular Participation:** Maximum and enthusiastic involvement of the class in all the activities of the school.

A Partnership for Growth

We believe that leadership and discipline are best developed when students work together toward a shared goal. We kindly request you to encourage your child to contribute positively to their classroom team by ensuring they arrive on time, dress immaculately, uphold the values of our school and try their best to perform well in all the exams.

Thank you parents for your unwavering support in driving student success.

With Respect,

Principal
