

GrayQuest Transport Fee EMI: Frequently Asked Questions

What is GrayQuest Transport Fee EMI?

GrayQuest Transport Fee EMI is a monthly payment facility that allows parents to convert their child's annual transport fees into easy monthly installments. This service is designed to make fee payments more manageable by spreading the cost over several months instead of requiring a single upfront payment.

Who can apply for the transport EMI facility?

Parents of students enrolled with Podar International School who have opted for the school's transport services can apply for this facility.

How can parents apply?

The application process is completely online and typically takes a few minutes:

- Log in to the Loop Learning portal.
- Navigate to the transport fee payment section.
- Select the **GrayQuest** monthly payment option.
- Complete the 100% digital registration process by providing the required information.

Is any documentation required?

The sign-up procedure is paperless. While specific documents may vary, the process generally involves a 5-minute digital signup that includes basic identity and financial information required for credit appraisal.

What is the EMI structure? Into how many installments can the transport fee be converted?

The transport fee is typically converted into 10 monthly installments. For example, a fee of ₹80,000 would be divided into 10 monthly payments of approximately ₹8,440 each (including interest).

Is there any processing fee involved?

The transport EMI plan involves a minimal interest cost rather than a flat processing fee. It is available to parents at a nominal rate of **5.5% interest per annum**.

Can the EMI be cancelled midway?

The transport EMI plan cannot be cancelled midway unless the student is cancelling their admission.

Whom should parents contact for support regarding GrayQuest services?

For any assistance, parents can reach out to the GrayQuest support team via:
