

PODAR INTERNATIONAL SCHOOL, DAVANAGERE

Circular: Grade 1 to 10

Date: 5 April 2026

Subject: Shaping the Future – PIS Davanagere Development Survey 2026-27

From: The Office of the Principal

To: Our Valued Parent Community

Dear Parents and Guardians,

As we begin our journey as a team, our primary commitment is to ensure that Podar International School, Davanagere, remains a "Temple of Learning" where every child thrives in an environment of **Dignity, Respect, and Academic Excellence**.

To achieve this, we are currently drafting our **School Development Plan (SDP) for the 2026-27 Academic Session**. This plan is based on the global standards set by the **Podar Innovation Centre**. However, a plan is only complete when it includes the "Pulse" of its most important stakeholders—the parents.

We invite you to participate in our **Strategic Development Survey** via the link below. The survey is structured around the six core pillars of our progress:

1. **Outcomes for Students:** We focus on measurable academic growth and the development of 21st century skills to ensure every child reaches their highest potential.
2. **Behaviour and Personal Development:** We aim to nurture "Virtuous" individuals who possess self-confidence, empathy, and a strong sense of personal accountability.
3. **Effectiveness of Leadership and Management:** We are committed to a culture of absolute transparency, professional standards, and proactive school-parent communication.
4. **Quality of Teaching, Learning, and Assessment:** We ensure innovative classroom delivery and fair, timely assessments that provide a clear map of your child's progress.
5. **Welfare:** The emotional safety, health, and hygiene of our students are non-negotiable. We strive to provide a supportive sanctuary for every learner.
6. **Zero Tolerance towards Corporal Punishment:** We uphold the strictest standards of student dignity, ensuring a fear-free environment where **discipline is handled with psychological care and respect**.

Your **honest and constructive feedback** will directly influence our roadmap.

Thank you for your trust and for partnering with us in this journey of excellence.

**With Respect,
Mr. Martin Arockia Raj
The Principal**
