- Students will write creative thank-you notes for parents, teachers, or helpers and present them in class. Selected entries will be displayed on the notice board.

GRADE 8:

Skill Development & Industry Internship Initiative – Media & Broadcasting

As part of the school's Skill Development and Employability Initiative, students will participate in an Industry Exposure and Internship Experience Programme at Daijiworld Television. The programme aims to provide practical exposure to the media industry while nurturing essential employability and workplace skills.

Key Learning Outcomes:

- Experience the functioning of a professional television broadcasting network.
- Observe newsroom operations, news reporting, anchoring, and programme production.
- Gain exposure to camera operations, video editing, sound recording, and studio management.
- Interact with journalists, producers, anchors, and technical professionals to understand industry practices and career opportunities.
- Develop communication, teamwork, creativity, critical thinking, problem-solving, and digital literacy skills through experiential learning.
- Build confidence, professionalism, adaptability, and workplace ethics in a real-world environment.
- Enhance career awareness through direct industry interaction and guided learning experiences.

Programme Objective:

To bridge the gap between classroom learning and industry practices by providing students with authentic workplace exposure, fostering career readiness, and equipping them with the skills and competencies required for future employability in line with the vision of NEP 2020.

Learning Outcomes

Students will:

- Develop creativity and innovative thinking.
- Enhance communication and presentation skills.
- Improve critical thinking and problem-solving abilities.
- Build teamwork, confidence, and leadership qualities.
- Develop awareness of cyber safety, anti-bullying practices, and responsible behaviour.
- Strengthen practical life skills and self-reliance.

"Skills empower minds, build confidence, and prepare students for a brighter tomorrow."
