Notification: World Environment Day Celebration

Date: 5th June 2026 (Friday)

Dear Students and Parents,

World Environment Day is celebrated every year on 5th June to remind us to care for and protect our environment. It helps us understand the importance of saving nature, reducing pollution, and using resources wisely.

To celebrate this day, the following activities will be conducted:

1. Green Food Day

Students will bring healthy green-coloured food items for snacks and lunch.

2. T-Shirt Bag Making

Students will bring an old T-shirt and make a reusable bag to reduce plastic use.

3. Paper Bag Making

Students will make paper bags and learn about eco-friendly alternatives to plastic bags.

4. No AC Day

The school will observe "No AC Day" to promote energy conservation.

5. Environment Day Pledge

Students will take a pledge to protect nature and keep the environment clean.

Requirement:

1 old T shirt

Learning Outcomes

Students will:

- Understand the importance of protecting the environment.
- Learn to reduce the use of plastic.
- Develop eco-friendly habits.
- Practice reusing and recycling materials.
- Learn ways to save energy and natural resources.

Let us work together to make our Earth cleaner, greener, and healthier.

"Small actions today can create a better tomorrow."
