

### Principal's Message

Dear Students,

The only coach that each one of you have, to push yourself to achieve something remarkable, is your self-motivation. Believing in our strength and trying to understand our potential area will motivate us. Your career altitude is based on your understanding of inner strength. We notice an ordinary student becoming an extraordinary entrepreneur. Hence, always focus on your inner strength and work. Friends, aim high always because you deserve it. I congratulate all the students for their wonderful participation in Independence Day celebrations and other school activities. Keep moving forward. I congratulate all the achievers who find their place in this news letter.

With regards,  
Krishna Bangera  
Principal
