

MY SURU PODAR NEWSLETTER

Principal's Message

Dear Friends,

The final newsletter of the year carries most spectacular annual function of the school 'Nriya Tranga'. Annual function is an event to showcase the yearlong efforts of the school team. This year is another successful and learning year for us. The 'Podar Spectaculum' the science exhibition of the school was a new addition to our routine activities and celebrations. We have the satisfaction of making almost all the students participate in more than two events. There was cent percent participation of students in school sports day, annual day and whole school exhibition 'Podar Spectaculum'. The participation of students in all the activities is worth mentioning as they made every event a success. I congratulate all the school team members who worked tirelessly in making this happen and looking forward for many more to come in the future years.

Regards,

Krishna Bangera

"Do right. Do your best. Treat others as you want to be treated."

Parivarthan Drive

Conducted a 'Parivarthan Drive' on 29th February 2020. students and teachers participated enthusiastically in the drive to spread the importance of purpose of life among the public. The students performed yoga, songs, a flash mob and walkathon from Mathrumandali circle, Vantikoppal to BM Habitat mall, Jayalakshmipuram, Mysore. Around 250 students from grade VI to IX started their walk from the starting point at 9.30 am. The placards held by the students, represented the thought of living in the present, concept of togetherness and gratitude, celebrating the happiness and mindfulness

Special Assembly-'PEACE'

The students of grade VII 'B' took the initiation to celebrate humanity with the concept named 'PEACE'. A special assembly was conducted on 22nd March 2020 on the concept Humanity named 'Peace.' The class demonstrated the importance of peace through a skit, dance and a song. The song 'Heal the World' by Michel Jackson, sung by the students communicated the result of peace in our lives. The speech on importance of peace written by the students portrayed their knowledge about the concept of peace and violence. The assembly ended with a message of promising ourselves of being a responsible citizen of India

Giving Back -A Podar Volunteer Programme

As a part of Podar Volunteer Program, students of Podar International School, Mysuru, involved in creating 'thanking cards' for nurses who serve our society with selfless intention and caring hands. Students of 5B, created their artistic cards holding the message of definition of a hero who works continuously sacrificing his or her life for the well being of the society. Nurses are part of it. On 3rd, March 2020, the students went to Sri Jayadeva Institute of Cardiovascular Sciences and Research, Mysuru, and appreciated the service given by the nurses to the society, by wishing them with the 'Thanks Giving' cards.

Students of V 'A' and VII 'B' created Thanks Giving cards holding the message of definition of a hero who works continuously sacrificing his/her life for the well being of the society. On 11th March 2020, the students went to Hebbal Police Station, Mysuru, to show their gratitude to the police officers. The police officers are often taken as tough people. But the intention behind their work is not understood by all. They are available to help people at all times. The police officers are courageous and alert all the time.

Debate Competition

Under the theme of 'Pursuit of Happiness', there was an inter house debate competition held on 7th March 2020. The debate was conducted for students of grade 5 & 6 followed by 7th and 8th under two different topics; 'Happiness is defined by Success' and 'White Lies: Harmful or Harmless' respectively. There were three levels; individual presentation, rebuttal, and audience rebuttal. The selected students from each house participated enthusiastically which motivated the audience to be very curious and attentive throughout the debate.

Fire Mock Drill

A surprised fire mock drill took place on 6th March 2020. To find out how the students and staff will respond in an actual emergency situation. It was a successful one. The time of evacuation was less than the previous scheduled fire mock drill.
