

PODAR INTERNATIONAL SCHOOL, HEBBAL, MYSURU

Circular to Grade 1 to 10

29 June 2026

Subject: Facilitation of Mandatory Aadhar Biometric Update (MBU) for Students (Ages 5 to 15) at School Campus

Dear Parents,

This circular is to inform you about an important initiative being undertaken in collaboration with the **Postal Department** to ensure all eligible students complete their mandatory Aadhar biometric update as per the CBSE circular number **F. CBSE/RO/BLRI2025** dated 23 October 2025.

Please find below the important things mentioned in the circular:

- Aadhar Card is mandatory of all the children who are studying in schools for **APAR ID (Automated Permanent Academic Record)** and other essential government and school-related services.
- **CBSE** has received a request from the **Director of Postal Services**, Karnataka Circle, to Organize a special camp at the school campus to facilitate this update for our students. This will allow for a convenient and efficient process.
- We will be extending our full cooperation and support to the local Postal Authorities to conduct this camp.
- We urge all parents whose children are aged 5 to 15 to make use of this facility and ensure the biometric update is completed.

We will communicate the **exact date and time** of the camp as soon as we finalize the schedule with the Postal Authorities.

Please keep the following documents ready to bring to the camp:

- The child's existing **Aadhar Card** (if they have one).
- Proof of Identity (POI) and Proof of Address (POA) of the parent/guardian.

We look forward to your **support and cooperation** in making this essential mandate successful.

With regards,

PRINCIPAL
