FIELD TRIPS

Students across grades are taken to interesting, age-appropriate places to extend their learning beyond the classroom and connect real-life to their syllabi. These visits range from visiting the **Naval Dockyard** at Colaba, **Kidzania**, **Young Avengers Station** for the younger kids to getting exposure to history and culture at **Prince Charles museum**, learning about nature, science, and technology at **Nehru Science Centre**. Outstation trip to **Bengaluru** and **Mysuru**. The school organises 3 educational and 2 recreational trips in an academic session.
