- Very well-structured event. students enjoyed watching classmates perform and teacher's inspirational performance. Snack it was an excellent thought, whole house treated on the yummy snack made by the kid of the house. Thanks once again!
- I loved the Annual Day celebration 2021-2022 it was a different way of celebrating but it just was amazing. Thank You to all the teachers for conducting this virtual Annual day. We definitely appreciate your hard work.
- Giving option to all the students to participate and perform as per individuals interest have brought out the best talent of all. Thank You Class Teacher - Sunita Madam, all Teachers and Podar Team. Working parents joined meet and could watch child's performance. It was a great experience.
- It was very well organized... a tremendous effort on part of the teachers and the school management... the kids put up excellent performances and had lots of fun!!
- The programme was excellent. It is not at all easy to conduct a programme of this level par excellence virtually. Very lively, enthralling and entertaining and kids enjoyed a lot.
- It was fantastic program... Podar teachers all time try something new... head's off to all teachers.
- Thank you so much ma'am for the excellent annul day Sneha though that there will be no annual day this year due to COVID - 19 she felt very sad but then she saw that there was annual day she was so excited and she spent her free time playing the piano thank you so much for your excellent efforts she was very happy once again thank you so much.
- Kudos to all the children. all were extremely talented. It was all possible because of Poonam Ma'ams support and motivation that students could exhibit their talent so confidently....and we as viewer also enjoyed their hidden talents.
- Annual function was very well organized. Kids performed really beautifully and confidently. It is always a joy to watch the kids perform and seeing their efforts. Hearty wishes to each one of you for the successful conduct of the annual day. The whole experience was overwhelming and encouraging the kids to motivate them to perform better in other activities along with studies.
- The event was fun and kept us hooked till the end. Tried a new recipe, enjoyed making snack it and relished it with family members. Participating in the program has made me feel confident and proud. Thank you for this wonderful platform.

**Summary** The event was well executed and students thoroughly enjoyed the same. All the parents have given very positive and encouraging feedback for such an excellent show by Team PODAR-ICSE/ISC, Nerul.
