COMMUNITY OUTREACH & VOLUNTEERING PROGRAMME

The school is organising various volunteering and community outreach activities in September 2026 to promote social responsibility, compassion, environmental awareness, and active citizenship among students. The programme aims to develop empathy, compassion, social responsibility, environmental awareness, and community participation among students.

Date	Activity	Grades	Remarks
15.09.2026	Donation Drive	I and II: Toy Donation Drive III to V: Stationery & Care Packet Donation Drive VI to VIII: Food Donation Drive	Students are encouraged to contribute useful and appropriate items for the donation drive.
15.09.2026	Plantation Drive	IX and X	Students will promote environmental conservation and develop responsibility towards nature.
18.09.2026	Awareness Drive: Theme - Mental Health Awareness (removing stigma of mental health)	VI and VII	The drive will sensitise students about social responsibility, community welfare, and sustainable practices.
22.09.2026	School-Agency Collaboration – Newspaper Drive. The funds collection done by newspaper will be donated to a NGO.	Whole School	The school will collaborate with an agency to organise a Newspaper Collection Drive. Students and staff will be encouraged to contribute old newspapers to promote recycling and responsible waste management.

Let us come together and make a meaningful contribution towards society and our environment.
