## Subjects taught in School:

## For the academic year 2020-21, classes and events for all grades were conducted online:

**Online Education:** The academic year 2020 – 2021, faced a very challenging time which brought the world to a complete halt with the Corona pandemic and with lockdown all over the Nation. It had become mandatory to stay at home and we had to decide as to how meaningfully we could utilize our time.

Classes for all grades were conducted online through portals like Zoom and Google meet. Teachers made use of innovative apps to make classes engaging and interesting. Various apps like Padlet, Jamboard, quizziz were used to engage students. Quiz and tests were conducted through Google forms. School provided students with video library which included recorded classes of different topics and subjects taught by Podar teachers. Teachers made effective use of PPT's , videos and audios to teach students online. Teaching and learning did not stop in spite of the lockdown.

Conducting exams was the biggest challenge. Exams for all classes were conducted through school's between us portal. Students were encouraged to maintain honesty and integrity in solving papers.

**Attendance:** Overall 70-75% students attended online classes. Those who were unable to attend were supported offline and through video library created by Podar teachers.

**Remedial Measures taken by school :** Doubt clearing sessions were held for students to solve queries and problems if any after the regular classes.

**Life skills and counseling sessions:** Life skills and counseling sessions conducted by School counselor were part of online classes.

**Environment initiatives:** On 5<sup>th</sup> June, world environment day students were encouraged to plant trees and were made aware of importance of environment protection. School has implemented segregation of waste into wet and dry garbage. School practices shredding of used paper and sends it for recycling.

**PTA activities**-PTA meetings were held virtually and PTA was actively involved virtually in major decisions taken by school.

**E -Magazine**-To provide students platform for expressing themselves, school launched its first E-magazine-ABHIVYAKTI wherein students of all grades participated by drawings, poetry, articles, puzzles and stories

**Trainings and workshops:** Teachers are also learners.” Staying updated is the key to success in any field, especially, in education. Our teachers constantly strive to stay updated by attending workshops & various in-house and CBSE trainings.

**Project Based learning-** ‘Education needs to be re-imagined as we are faced with a challenging new reality and it is now that the importance of designing a curriculum to build independent learners is paramount. PBL provided such an opportunity for our students.

The students were introduced to PBL and project topics through a zoom call session. There were 3 projects for the grades 3 to 8 students to select from, depending upon his/her interest in the topic. They were given 1-2 days to select the project.

Each project was divided into 4 phases.-Engage, enquire, create , share and reflect.

### **Major SMC Decisions:**

1. Reversal of fee hike for 2020-21.
2. 10% discount on fee payment.
3. Complementary e-books on first term fee payment.
4. Special discount for parents who suffered financial crisis supported with valid documents.
