April 2021

Editor's Desk

It is well said - "If you do not hope, you will not find what is beyond your hopes"

Welcome back to another exciting year 2021 of teaching and learning skills. School wishes all the students for great success and bright future.

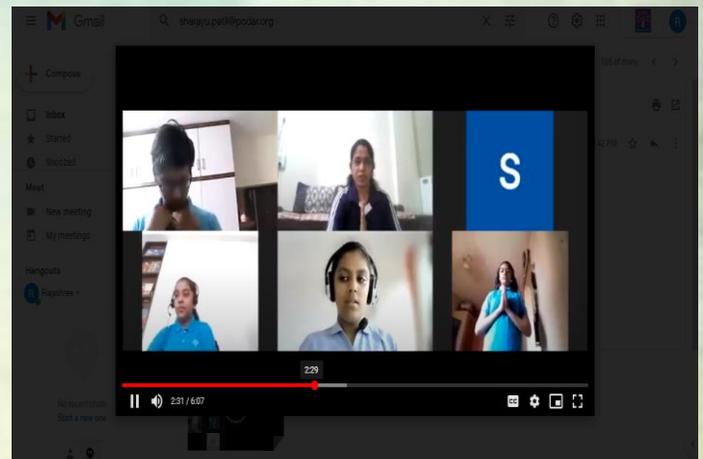

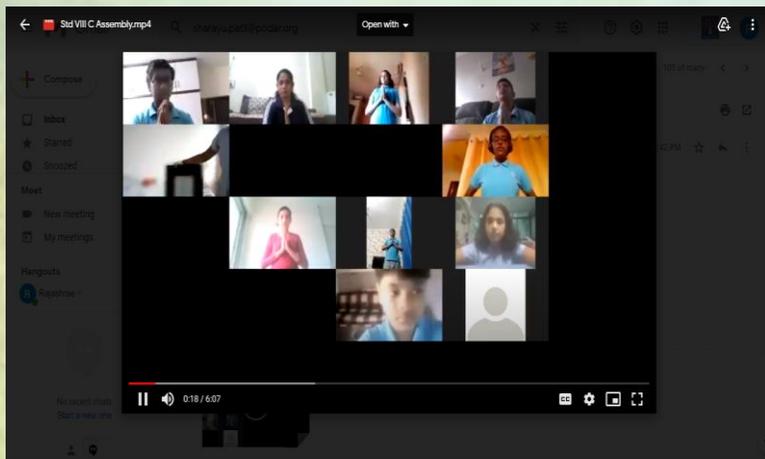

April is a month which is more a symbol, than just a time period. It stands for good weather, prosperity, health and a feeling of general wellbeing.

It began with the most enthusiasm and exciting activities. The activity 'History at Glance' was conducted for the higher grade students, where it was an overwhelming task. The thoughtful topic that seem more interesting and made the students a better understanding about the historic event.

Further we had another Event: 'Father's Day' is an occasion which is celebrated in various parts of the world to express respect, honour and love towards fathers. The School celebrated this most special day with lots of fun activities and expressed their gratitude by presenting 'Photo Frame' to their fathers.

Welcome back to school

“You’re off to great place, today is your day, your mountain is waiting, so get on your way!”

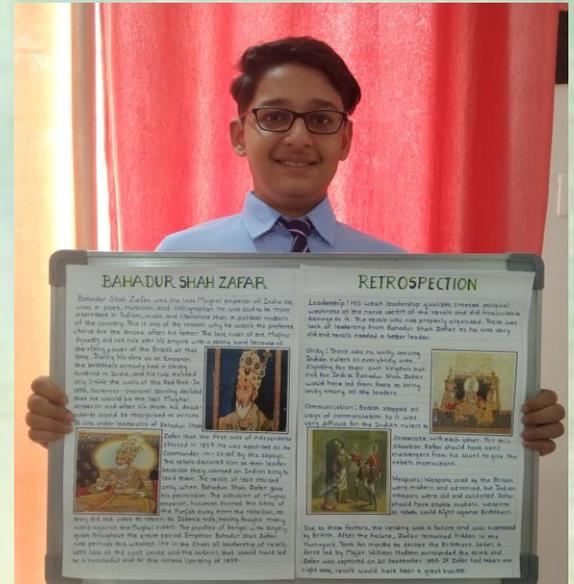

It is that time of year again where we wake up early, all happy and cheerful, anxious for the day to start —“The First Day of School!” The start of a new session is always a time filled with excitement. Every new school year, teachers welcome a new crop of students into their classroom fold. The new academic year started at Podar International

School, Ambegaon on 7 th April 2021. The teachers welcomed the students during the online sessions. The teachers provided an open forum to the students to share their previous year’s experiences and other exciting tales.

Let us all look forward for a bright year ahead and make it productive and inspiring for our children.

History at a glance

Nations are made up of a collection of stories and legends. These stories shape the way we think about our country and our standing within it. History is where we learn about how great institutions are formed, and how they've contributed to where we are today.

Students of Podar International School, Ambegaon demonstrated historic and important events on 14th April 2021.

In the activity students prepared colourful charts and elaborate models to demonstrate various historic and important events. These events included regime of Bahadur Shah Zafar, the good governance of Krishnadevraya, the System of Town prevalent in Ancient India to name a few. The activity helped the students to develop better understanding of the historical event.

The contributions and sacrifices made by our fathers in our lives do not need a specific day for celebration. A father, who is our role model and superhero, is that one special man who is a friend, parent, philosopher and guide who always protects us in every phase of our lives.

Father's Day is celebrated on the third Sunday of June, and this year it was celebrated in India on 20 June amid the Covid-19 pandemic. This special day is observed to celebrate the importance of fathers and honour the essence of fatherhood.

The art and craft teachers of the respective classes guided the students in preparing cards for their fathers. They were given a week to work on it and exercise their artistic skills. The students presented their cards and read out the heart touching messages for their fathers.
