

PODAR INTERNATIONAL SCHOOL, AMBEJOGAI (CBSE. Affi. 1131123)
ANNUAL REPORT (2022-23)

“We delight the beauty in the butterflies, but rarely admit the changes it has gone through to achieve that beauty. It is the change that we all go through our lives that constantly improves us”. Portraying this thought in the most dazzling way possible, I would like to wish you all a very pleasant evening.

I am indeed honoured to have this opportunity to present before you for consistent upward graph of our school’s achievements and I would like to thank each one of you for being a significant part of this glorious journey. In Podar we believe that every individual has a lot of potential that can help accomplish wonders. We have always been committed to create an environment in the school which helps the students to shine and provide them a platform for individual thinking.

We set standards and goals for ourselves and strive to achieve them- be it in academics, cultural, co-curricular, sports, discipline, leadership and many more.

Let’s Start with....

A GLIMPSE OF ACADEMIC ACCOMPLISHMENTS

With high expectations and academic rigor, we started our session this year. It is said that Excellence in academics is the hallmark of a good institution, and we always work for that. Several initiatives have been taken by the school for students’ improvement in academics.

1. **School Reopened –7th April 2022**
2. **Parents Orientation:7th June 2022**
3. **SEL Modules – Social and Emotional Learning**
4. **Remedial class (Zero Period) –** This class has been started for slow learners for their basic concept clearance.
5. **Special class for Grade IX & X –** English, Math, Science
6. **Activity based learning –**We are always focusing on activity-based learning and thus teaching is done. For Eg. In Integrated English, we teach students various activities like skits, poem recitation, word games, debates, role playect.

7. **Thematic Learning** – For Grade I & II, We implement thematic learning. Curriculum is taught for all subjects as per theme. The Theme Based Approach is a way of teaching and learning, whereby many areas of the curriculum are connected and integrated within a theme. The activities and lessons focus on providing students with relevant, meaningful interactive, hands-on experiences. Thematic Unit is the organization of a curriculum around a central theme. It is a series of lessons that integrate subjects across the curriculum like EVS, English, Math, etc.
8. **Theme Based Assembly** – Assemblies are essential part of schools, for they not only promote a sense of collective belonging to the school, but they also educate the students in various ways and increase their confidence. We conduct theme-based assemblies.
9. **House wise Assembly** – Weekly one House conducts the assembly. Almost all the students of the house get chance to share the stage at least once in a week.

FUTURE PLANNING

Podar Prep - Podar Jumbo Kids, now has incorporated with Podar International School as Podar Prep.

Infrastructure

Labs -We have upgraded our infrastructure facilities including our computer lab, science labs and library. Currently, we have a Math Lab, Physics lab, Chemistry lab, Bio lab, Computer lab with internet facilities and a fully equipped library, our allclasses are transformed into digitally smart classes.

Many milestones have been achieved and many still must be reached. We at Podar International School will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

CONCLUSION

To conclude this year, we all took more collective step towards our vision and while one step is taken many more are to go, and it is certainly achievable. This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year. On this memorable occasion as we recount our success with pride and happiness, we wish to dedicate all our achievements to the committed effort of a committed team called Podar International School.

In the end I would like to conclude with the lines, "Don't tell us that the sky is the limit when there are footprints on the moon"!

I hope you will enjoy today's program being presented by our students.

Vote of Thanks – I extend my sincere thanks to all the parents, teaching staff, admin staff for their untiring and unconditional support.

THANK YOU!!!!!!
