- **'Giving Back'** – We have already introduced this Podar Volunteer programme to our children as an effort to sensitise them and make them responsible towards society we live in. As an extension to the module we wish to involve parents in this volunteer programme because children learn values by observing and when we lead by our actions the impact is long lasting.  
**So, as a part of Gandhi Jayanthi celebrations, we propose to host a Blood Donation Camp in our school on 2<sup>nd</sup> October 2018 from 9 a.m. onwards in association with Bangalore Blood Bank, Malleshwaram.** Interested parents can volunteer and register their names through the consent form attached herewith.  
**Parents donating blood will also be issued a certificate from the organization.**

Kindly fill in the consent form and send it to us on or before 28 October 2018 to facilitate further arrangements.

**NOTE: The camp will be organised based on the minimum number of parents opting to donate blood.**

Looking forward to empower our children with greater life values day after day with your cooperation.

Thank you all for your continued support in all our initiatives to make learning a joyful experience to all our children.
