**RESULT OVERVIEW**

# 1<sup>st</sup> Batch

# 100 % RESULT

We all are proud and feel highly honored for being a part of the great success achieved by our first batch of students in std.12( Science/Commerce) AISSCE result 2019-20.

This performance has elevated us and this institution to national level recognition. The outstanding performance exhibited through the results by the very first batch of the year 2019-20 has written the first chapter of glorious success of Podar International School Bhusawal in golden years.

This would not have been possible without the trust and faith shown by the parents for their children in this institution. This faith and trust shown became the inspiration and challenge for preparing the students of std.12( Science/Commerce) AISSCE result 2019-20.

The hard work put in by the teachers and students together and timely advice of the Principal followed by the students and parents has yielded marvelous results.

The school heartily congratulates the students of Podar International School Bhusawal and the parents for their enviable success.
