

### **School Statement on Newspaper Article dated 25 March 2025.**

The School is surprised on reading the inaccurate and baseless newspaper article that appeared on 25 March 2025.

The School strongly denies the baseless allegations listed in the article.

The School follows an open door policy and all parents are free to voice their concerns directly with the School Principal and School Leadership Team. All concerns are treated with the importance and priority that they deserve.

All parents with previous complaints related to the school functioning have been invited to or have already met the School Principal directly to voice their concerns and to jointly work towards the development of their children.

The BEO has also conducted an enquiry of the school functioning and we are awaiting their report to take further action based on their recommendations.

We thank the parents for their continued support and faith in the school.

Podar International School has always worked for the development and growth of the children of Chhindwara and will continue to do so.

Thank you.
