**Circular/Dated 21st April, 2026/ Fee -AY 2026-27**

Dear Parent,

We are happy to announce that we are continuing our partnership with GrayQuest to provide our parents a monthly fee payment option. This option would enable you to pay the tuition fee for AY 2026-27 in ten monthly installments (EMI) at no extra cost. The fee payment options will be available on Loop Learning Portal as usual. The system of paying the fees in three installments shall also continue.

We believe that this solution will be very helpful to you as it will allow you to pay the AY 2026-27 tuition fees in 10 Equal Monthly Installment (EMI) at zero extra cost. There will be no interest or processing charges payable by the parent. You will be liable to pay only the AY 2026-27 annual tuition fees over 10 EMI.

For instance, for Nursery to Sr. Kg., the annual school fee is Rs 46110 . This can be divided into 10 equal easy monthly installments as illustrated below

<b>Month</b>	<b>10 Month Payment Plan at 0 Extra Cost</b>
Month 1	4611
Month 2	4611
Month 3	4611
Month 4	4611
Month 5	4611
Month 6	4611
Month 7	4611
Month 8	4611
Month 9	4611
Month 10	4611
<b>Total</b>	<b>46110</b>

For parents registering after 20th of April, there will be no EMI debited in the month of May. The next EMI will be debited from the month of June.

GrayQuest also has a zero downpayment option, where parents can register for the facility and their EMI will start from the next month.

Interested parents are requested to register immediately to avoid rush later.

The facility to opt-in for GrayQuest is available on the fee payment portal - Loop Learning. The entire process to sign up and opt into this scheme is 100% digital and hassle-free.
