Subject: Importance of School Uniform & Grooming Standards

Dear Parents,

Greetings from Podar International School, Davanagere!

As we prepare for the new academic year 2026-27, we wish to emphasize the significance of the school uniform. A uniform is not just a dress code; it is a symbol of **unity, equality, and pride**. It fosters a sense of belonging and ensures that our students are focused on their learning and character development.

To maintain the high standards of our institution, we request your full cooperation in ensuring your ward arrives at school in **complete and pristine uniform** every day.

Why the Uniform Matters

- **Professionalism:** It prepares students for a disciplined life.
 - **Equality:** It removes socio-economic barriers, placing every student on an equal footing.
 - **Identity:** It represents the values and "motto" of the Podar International School brand.
 - **Safety:** It allows for easy identification of our students during school hours and trips.
-

Note: Regular uniform checks will be conducted starting from the reopening on **21 May 2026**. Students not in complete uniform or found with improper hairstyles will be counseled and expected to rectify it immediately.
