

PODAR INTERNATIONAL SCHOOL, DAVANAGERE

Circular: Grades 1 to 10

Date: 3 June 2026

Subject: LIVE GPS TRACKING & TIMING PROTOCOLS FOR SCHOOL TRANSPORT

Dear Parents,

As part of our continuous effort to ensure the utmost safety, security, and convenience for our students, Podar International School, Davanagere, has successfully activated live GPS tracking for our school transport fleet.

This facility allows you to monitor the real-time location of your child's bus, helping you track its movement precisely and eliminate long waiting times at the stops.

Please find the live tracking links for **Buses 1 to 9** listed below. Kindly click on the corresponding link for your ward's assigned bus route:

Bus Details	GPS Tracking Link

🔊 **Note for Bus No. 10 Parents:** The tracking integration for Bus Number 10 is currently processing and will be updated shortly. We will share the dedicated link with you as soon as it goes live.

Crucial Guidelines for Punctuality & Bus Timings

To ensure smooth transit operations and a comfortable journey for all children, we kindly request your strict adherence to the following transport protocols:

- **Be 5 Minutes Early:** Parents are earnestly requested to be present at the designated pick-up spot **5 minutes prior** to the scheduled time. This new GPS system is designed to help you track the bus in real time so you can plan to be at the stop exactly 5 minutes before the bus arrives.
- **Prevent Cumulative Delays:** The school bus cannot wait at any stop for late arrivals. If a bus is delayed by even a couple of minutes at one stop, it creates a cascading effect, delaying the pick-ups for all subsequent students and ultimately causing the bus to reach the school late.
- **Minimizing Travel Time:** When students cause delays at early stops, it directly impacts the children who boarded first, forcing them to remain inside the stationary bus for a much longer duration.

To maintain fairness to all families and ensure our students reach the campus comfortably on time, your absolute cooperation in being punctual is highly appreciated.

A Crucial Note on Student Safety:

To maintain the security of our school transport ecosystem, we request all parents not to share these tracking links or route details with any outsiders or on public social media platforms.

We are confident that this technological integration, combined with your valuable cooperation, will make our daily routines smoother and our campus operations more secure.

With Warm Regards,

Transport Team of PIS Davanagere
