## “WORLD BOOK DAY”

Podar International School has celebrated “World Book Day” on 23rd April 2015. During this all the teachers of PIS had done a skit on Cinderella before all the students in the assembly and the students also enjoyed a lot. And afterwards all the students from Grade III to VI had written about their favourite book and why they like that book on a piece of paper and stuck that on the library board.

## PROUD TO BE ME: EXPRESS YOURSELF

Under the theme “PROUD TO BE ” PIS Gaya has conducted “Express Yourself” dated on 13th April 2015. Grade wise activities were performed. Grade I and II have shown their creativity under art and written activity “What’s in a Name”. This activity aimed at celebrating the importance of names through art and writing work. The students of Grade I and II played a catch and throw game and spoke out the names which creates bonding among the new students of Grade I. And afterwards, there was a display of an image of a caterpillar. Every student wrote their names and shown their creativity with their initial letters.

This activity used students name to help young students to come and understand the concept of letters and words. Grade III and IV students have made their magical umbrella and share their achievements which makes them happy and proud. Through this activity students consolidated their belief in their own abilities.

Grade V and VI students have written a letter in the “Express Yourself Activity.” They have jotted down their positive traits and achievements in the form of letter “Not to self”. This activity helped students to affirmed about their most positive qualities and setting their future goals. In the entire session of “Express Yourself” it gave a sign of positivity and hope to the students of PIS.

## PROUD TO BE ME: JUMP START EVENT

In the new session, on 10th April 2015, PIS Gaya has organized Jump Start Event under the theme “Proud to be me” in the school campus. All the students from different grades have taken part in this event.

Grade I, II, III and IV students have shown their interest under what they like to do.

Grade V and VI students have shown their interest under the topic “I AM SUPER MASTER IN”. After the whole session students photographs were clicked. They had wore different attire and accessories which make them happy and proud. So all the students enjoyed the event and explored their area of interest.

## PROUD TO BE ME I MAKE A DIFFERENCE

PIS has organized a special event named “I MAKE A DIFFERENCE” day dated on 11th April 2015. Under this grade wise activities were done . Grade I and II have danced on the song “Let’s be the change” so that they can feel what change they can bring in the society. Likewise Grade III and IV has seen an inspiring video related to the changes they can bring in the society and share their ideas of how they plan to make difference. Similarly, Grade VI has done an activity “The Art Speaks” in which the students have presented an artistic skill and made an informative art work that conveys the message of making a difference.

Under this scheme whole school has performed an activity in which all students have written three ideas in which he/she should like to make a change to the community or to the world on the display board with the heading “BIG IDEAS TO CHANGE THE WORLD”. The aim of this activity was to produce valuable background issues around them. It also inspires the students towards active social participation and to empower them as agent of change in the society.

Students have actively participated in these activities and became a part of the change as they want to bring in the society.

## “ WISE ADVICE ”

PIS, Gaya has conducted a House competition dated on 29th April 2015 in the school campus . This competition has given an opportunity to give advice or find out solutions to the everyday problems we face quite often in our life and give solutions to the given problem.

Each house leader and group members from Grade 3 onwards had participated in this house competition. The students had given situations with a few problems. They had to come up with the solutions to the given problems and present them to the panel of judges.

This activity has developed critical thinking, relevant questioning skills and organizing capabilities among the students. The students had enjoyed this collaborative house activity as they had been discussing most of the common issues that are faced by the young children.

A designated time and venue was set up for the house competition. The judges announced the winning house, based on the best solutions given by them. School Principal Mr. Nil Kishore Sinha has supervised and appreciated the students for their creativity and thinking skills.

The aim of this competition was to involve the students to solve the daily problems and come up with a solution. With the completion of the event they had developed their thinking capability and learnt group work. There was a successful completion and desired outcome was achieved by this Competition.
