My Experience of Eating Truffle-Infused Mushroom Risotto Last week ate truffle infused mushroom risotto at hotel. It was a very special dish. The risotto was creamy soft and full of flavours. The mushrooms tasted rich, and - the truffle added a nice, earthy smell. Every bite was smooth and delicious. The dish looked beautiful too. It was served in a nice bowl with some grated cheese on top. The waiter told me that truffle is a rare and expensive ingredient which made the dish more special.

I really enjoyed my meal. It was different from what I usually eat and would love to & try it again.

We'll see monkey eating bananas, and

An Adventure Sport I wish to Experience

Describe an adventure activity you wish to experience or share an experience you have had of an adventure sport...

I have always dreamed of trying skydiving! Jumping from a plane and flying through the sky like a bird sounds so exciting. I have seen videos of people skydiving, and it looks thrilling but also a little scary. The thought of floating in the air and seeing the world from above makes me feel excited. I know that sky driving requires special training and safety gear, so I would love try with an experienced instructor. The free fall must feel like a roller coaster bo on more fun! I imagine the cool wind brushing against my face as I dive through the clouds. Although I have never done skydiving before, I hope to try it when I grow older, It would be an unforgettable experience! For now, I enjoy watching adventure sports and dreaming about my first skydive. One day. In finally take the leap and fly!

A jungle adventure is fun way for us to explore nature.

We are walking through a big forest with tall trees, cool plants, and the sands of birds and animals all around. Just Peel it, so nice. We can play games also like Scavenger hunt, where we look for thing like leaf, a flower, or a cool rock.

These can be challenges, too, like jumping over small streams Climbing hills, or walkin on a rope, and we can see brids, squirells or frogs etc.

A jungle adventure helps us to get active work together and enjoy.. and learn the two world.

Santa Claus Village - The Magic of Christmas!

Santa Claus Village is located in Rovaniemi, in Finnish Lapland. It is a remote place in the northern part of Finland, right at the Arctic Circle. Rovaniemi is over 500 miles (833 kilometres) from the capital, Helsinki. Santa Claus has made Lapland in Northern Finland his home for centuries, and the Arctic Circle is close to his heart because many Christmas secrets are rooted in this magical place.

Lapland is home to the indigenous Sami people who have been inhabiting the area for thousands of years. Their culture and traditions can be seen in many ways in Lapland, especially in reindeer herding. You might hear them speaking the Sámi language, which is an officially recognized language in Finland.

Things to do in Santa Claus Village

1. Meet Saint Nicholas!

Meet Santa Claus! It is possible every day of the year at Santa Claus Office. Everybody is welcome to visit and enjoy a private chat with Santa. Santa Claus Office is situated right at the Arctic Circle, next to the main square of Santa Claus Village. The Arctic Circle is a dear and delightful place for Santa, as many of the fairy-tale secrets of Christmas lie here.

2. Walk over the Arctic Circle line

Santa Claus Village sits right on top of the Arctic Circle at latitude $66^{\circ}33'45.9''$. So, one can literally just walk over the Arctic Circle line while visiting Santa.

3. Send a postcard

Santa Claus Village has a post office where you can mail cards and get them stamped with a special Arctic Circle postage stamp. It's a great way to surprise family and friends back home.

4. Try out Finnish delicacies

There are quite a few restaurants in Santa's Village to choose from. You can find anything from pizza to Asian food with both casual and fine dining options. Vegetarian food is not difficult to find either and gluten-free or lactose-free food is served in almost every restaurant. Some local dishes are reindeer stew or fried vendace served with mashed potatoes and lingonberries. You can even find a reindeer burger which is quite delicious! A traditional dessert is oven-baked cheese served warm with cloudbberries.

5. Pet a reindeer

You can meet the reindeer in the village too. Elf's Farmyard has many animals such as reindeer, alpacas, sheep, goats and rabbits. You can pet reindeer and also take a forest walk together with them.

Sneha Shinde (Grade-4)

One day it was a sunny, bright and shiny day. I planned to go to a travelling trip with my family. We packed our things such as some snacks, our sleeping things and some of my toys. We left for the travelling trip and it was greenery everywhere. The birds were chirping and the pleasant voice of nature. The beautiful and green forest was very interesting. I loved the big, green and shiny trees and the beautiful leaves falling from the trees to the ground. Wow! very beautiful. I had a very amazing and spectacular day in the pleasant forest. I clicked some pictures near the mountains and the trees with my family. I was seeing up in the sky, the birds were flying happily in the fresh air that was in the sky. I loved my trip to the forest with my family.

Sunidhi Patil (Grade 4)

When I was 7, I had went to a hilly trip. I had climbed a greeny hill which was short but rocky. I had experienced many adventures while climbing the hill I had went there with my mother father, aunt and uncle. While climbing we had stopped at some spot on the hill. We had went there to see the beautiful sun set from top of the hill. We also took some food to eat. And when we had reached the top we saw the beautiful view of sun set. And also there was a small temple at the top. And there was a whole playground over there. I had a lot of fun over the trip. It was my best trip ever.

Alisha Parihar (Grade- 4)

...was my worst travel experience

One summer, my family and I were excited to fly to a new city for vacation. We packed our bags and reached the airport on time. However at the checking counter, we realized we had forgotten an important document at home! My dad rushed back to get it, but by the time he returned, our flight had already taken off. We were very upset and had to wait many hours for the next flight. Sitting in the airport, we felt bored and tired. It was a long and exhausting day but we learnt an important lesson- always double check everything before leaving for a trip!

Ananya Rana (Grade 6)

Missed the flight

Last winter, my family & I went to a road trip to the mountains. The weather was nice we started, but suddenly, a heavy snowstorm began. The roads were covered in snow, & our car couldn't move. We had no phone signal & felt scared. We had to stay in the car for hours, waiting for help. It was very cold & we had very little food. Finally a rescue team arrived & helped us to reach a safe place. We felt so relieved! It was a scary experience, but we were thankful to the people who helped us. Now, we will always check the weather before traveling!

Rishita Singh (Grade 6)

Lost

My worst travel. I could not even imagine that day! One day I was travelling from Pune to Mumbai. I got the bus it was very crowded and had lots of hills. I was not able to sleep for the whole 1 year! After when we reached Mumbai, we had some food and a cool pepsi but the dosa was not good, it tasted like if it was made 2 days back. After that had a train to catch but it was late! The train should be at 6:00 but it was at 12:00! So, we decided to go to the local market. We had a look at all the stores and buy lots of things. Then we went to the food place, where we had momo's, pizza, and more tasty food, then, finally the train came but I was not feeling well, and when I sat on my place I vomited very badly. So, it was the worst day of my life!!!
