Sub: Monthly Circular – June

Dear Parents,

Greetings from Podar International School, Mangalore! is sharing with you the latest updates, events, and important information through our monthly circular.

Parenting Tip of the Month: Model continued growth and learning. Show your children that learning and growth are lifelong processes by actively engaging in new experiences and educational pursuits yourself. Read books, take up new hobbies, attend workshops, or pursue further education. Discuss what you're learning and the challenges you're facing with your children. This modeling demonstrates that it's never too late to grow and evolve. It encourages a growth mindset in your kids, inspiring them to remain curious and open to new opportunities throughout their lives. Your example helps them understand the value of continuous improvement and adaptability.
