

Human Fiction: A Mystery... Is God fictional or non-fictional being?

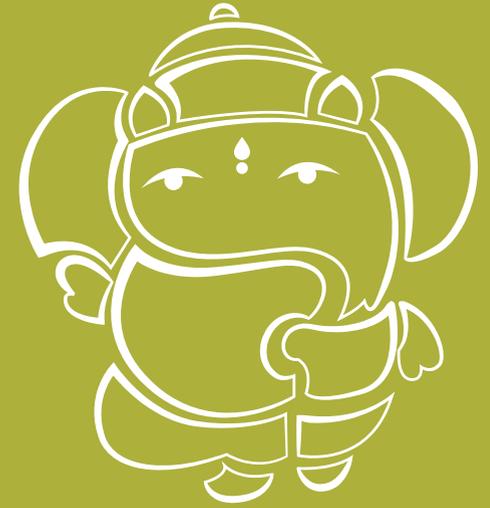

Mrs. Trupti Dusane VI - Prithvi

Few People believe that God has no control over human lives. He watches us and knows the future, but doesn't control it. There are few reasons why? They believe this: If God controls our actions, why would he sin? And if God controls our actions and makes us sin, why are we responsible for it? It is for those people to understand, 'Why is it so?' I would say God is far more interested in changing our minds than changing the circumstances. The spiritual battle or the tussle we have in our minds and thoughts. You want God to take away all of the problems, pain, sorrow, suffering, sickness, and sadness. But God wants to work on you first, because transformation won't happen in your life until you renew your mind, until your

thoughts begin to change. The mind takes steps with the spirit (discerning, understanding, and performing the will of God) as follows:

1. The Holy Spirit reveals God's will to our spirit that we know what it is.
2. Through our mind, we comprehend the meaning of this revelation.
3. We engage our strength with our will to activate the body to execute God's will. Now, why is it so important that you learn how to manage your mind? Let me give you three reasons to manage your mind because -
 1. Your thoughts control your life
 2. The mind is the battleground for sin
 3. It's the key to peace and happiness
 After all, God works all things according to his will...Isn't it?

Ganpati Bappa Morya

Ms. Nidhi Patil VI - Brahmos

On the occasion of Ganesh Chaturthi, let's know him better

Ganesha is considered to be a role model and a source of inspiration to us. He is considered to be the one who steadies our minds, opens the doors to opportunities and success. We believe in him and his presence guides us therefore we can start any new task or venture with his blessing so that nothing goes wrong. **In our tough situation, Ganesha is always there with us to help us resolve the situation and obstacles.** We seek his help to find answers to all our questions and solve our problems throughout our life. We will be lost if he is not there with us. The Almighty is in our thoughts and rules our mind directly or indirectly every moment. He plays a vital role in our life, without him we are helpless.

Oh! Thou Master of My Mind... Lord Ganesha!

Ganesh Chaturthi comes to an end, here's a lowdown on why Ganesha is the dearest God of all!

Ms. Sakina Telwala Sr. KG - A (Afternoon)

Ganesha is considered as the master of the intellect and wisdom. It is believed that worshipping Lord Ganesha brings in good luck and destroys all your problems in life. Lord Ganesha is always there to steady our minds and open the doors as we evolve and progress. Ganesha is known as the remover of obstacles. He is the one to pray to before starting any new endeavour or any other form of worship. He also protects homes and cars. It's not unusual for people to place a Ganesha statue or medallion

on the front dash of their cars. Ganesha is also associated with learning and study. It is he who transcribes the Mahabharata while the poet Vyasa recites it. Above all, he is the master of our senses. He operates our thinking. Every organ of Lord Ganesha symbolically suggests something like his big ears teaches us to listen to everyone and whatever they say. His small eyes connote microscopic observation. What's important is he operates our thinking... **On which depends everything, even the quality of our Life!**

Ganesha Rules Our Thought

Below are the lessons to draw from Lord Ganesha

Mr. Shrikant Ganesh Katole Sr. KG - A (Afternoon)

We teach our children to forgive because from Ganesha we learn to forgive others not because they deserve forgiveness, but because you deserve peace. We teach our children how to react or not to react because from Ganesha we learn that not to get upset with people or problems both are powerless without any reactions from us. Ganesha always enriches our life with great beginnings and helps to remove obstacles from our life. We always think that Ganesha is our mentor and protector.

त्योहारो का मूल्य एव महत्व

त्योहार समय समय पर आकर हमारे जीवन में नई स्फुर्ति, उमंग तथा सामुहिक जीवन को

सही दिशा में प्रवृत्त करते हैं। ये किसी राष्ट्र एव जाति वर्ग की सामूहिक चेतना उजागर करने वाले जीवित तत्व के रूप में प्रकट हुआ करते हैं।

Soumya Bali, VII Raman

समाज के प्रत्येक व्यक्ती अपनी अपनी घर परिवार की सीमा में रहकर किया गया एक ही प्रकार का हुआ करता है अतः उसे भी सामूहिकता सामाजिकता या सामूहिक प्रयासों के अंतर्गत रखा जा सकता तो सभी लोग अपने अपने घर पूजा करते हैं अपने अपने परिवार में बाटें खाते हैं। पर यह सब एक ही दिन, एक ही समय लगभग एक ही समान ढंग से किया जाता है और इसका प्रभाव भी सम्मिलित दिखाई देता है और इस सारी प्रक्रिया को सामूहिक स्तर पर की गई आनन्दोत्साह की अभिव्यक्ती ही माना जाता है।

Purva Gandhi VIII Pearl

कोई राष्ट्र त्योहारो के माध्यम से अपने सामूहिक आनंद को उजागर किया करते हैं। व्यक्ती का मन आनंद तथा मौजप्रिय हुआ करता है। वह किसी न किसी तरह उपाय करके अपने तरह तरह के साधन और आनंद बटोरने के लिये पुरे समाज को सामूहिक रूप से सधन प्रयास करना पडता है।

Anamika Dubey, VIII Pearl

त्योहारो का महत्व अन्य कई दृष्टियों से समझा एव देखा जा सकता है। त्योहारो के अवसर पर घर परिवार के छोटे बड़े सभी सदस्यो को करिब आने, मिल बैठने, एक दुसरे के सुख आनंद को साँझा बनाने के सुयोग भी प्रदान किया करते हैं। इतना ही नहीं कई बार त्योहार जाति धर्म की भा वनाओ को भी समाप्त कर देने मे सिध्य हुआ है।

Janhvi Navase, VII Raman

त्योहारो व्यक्तीयो को आमने सामने अपने परस्पर समझने बूझने का अवसर तो भावना के स्तर परस्पर झुडने या एक होने का संयोग भी जुटा देता है। क्योकी त्योहार मनाने की चेतना सभी मे एक सी हुआ करती है। त्योहारो का संबध किसी राष्ट्र की परंपरागत चेतना, राष्टीय धरोहर महत्वपूर्ण

घटना, महत्वपूर्ण घटना, महत्वपूर्ण व्यक्तीत्व स्थान, शोध परिशोध के साथ हुआ करता

Swara Tilay, VI Raman

त्योहारो वर्तमान और अतीत के साथ जुडे साबित हुआ करते हैं। वह समाज और व्यक्ती को अपने मौलिक तत्व से जोडा करते हैं। यह गणतंत्र दिवस य स्वतन्त्रता दिवस जैसे राष्टीय त्योहारो का उदाहरण दिया जा सकता है।

Sharvari Patil, VIII Ruby

स्वतन्त्रता दिवस का दिवस त्योहार मनाकर हमारा देश और समाज अपने आप को उन कठिन क्षणो के साथ जोडने या दोहराने का प्रयास किया करते हैं। कि जब राष्ट्र स्वतन्त्रता और आन के मोर्च पर डटकर सारा देश एक जुट होकर संघर्ष कर रहा था।

Bhumika Patil, VI Dhanush

इसी तरह गणतंत्र दिवस अतीत के उन क्षणो के साथ जोडता है। जब स्वतन्त्र भारत का अपना सविधान बनाकर उसे लागू किया गया, देश को एक लोकतंत्रीय व्यवस्था वाला राज्य घोषित किया राष्ट्र के वर्तमान को अतीत के साथ जोडकर उसकी चुनितीयो के सावधान करना भी है।

Manav Vispute, VI Dhanush

प्रत्येक त्योहारो अपने भीतर के आर्दश माने एव मूल्य भी संजोग रखता हैं। उन्हे मानकर मनाने वाले उन सबसे परिचित तो हुआ ही करते हैं उन्हे बनाये रखने की तपनता और दृढता भी सीखा करते और हैं। त्योहार धर्म एव अध्यात्म भावो को उजागर कर लोक के साथ परलोग सुधार की प्रेरण ा भी दिया करते हैं।

Ananya Deolgaonkar, V Shivalik

सबसे बडी बात यह है कि त्योहार और अपने मनाने वालो को उस धरती की सौंधी सुगंध के साथ जोडने का सार्थक प्रयास किया करते हैं जिस पर उन्हे धूमधाम से मनाया जाता है। त्योहार मनाने वाले जन समाज की विभिन्न रिती नितियों की जानकारी भी दिया करते हैं ये जानकारीयां जन समाज में अपने पर एव आत्म सम्मान का भाव बडे प्रिय ढंग से जाग्रत कर दिया करती हैं ऐसे भाव रखने वालो को ही त्योहार मनाने का अधिकार हुआ करता है।

Safety Awareness Drive

Learning safety for better tomorrow

Sanskriti Gite, IX - Venus

Studies have shown that wearing a helmet can reduce the risk of a serious brain injury and death as, during a fall or collision, most of the impact is absorbed by the helmet, rather than your head and brain. Hence, in order to convey the importance of wearing a helmet, on 7th September, 2019 Podar International School, Nasik conducted a Safety Awareness drive to broaden the view point of children that it's not a burden but a necessity. Children of Grade X participated in the drive. They went to Upnagar, Ambedkar Nagar and Fame theatre signal points and made people aware about the merits of using a helmet and its importance. They also highlighted the new traffic rules.

Art Corner

Interview

Tiffany Rajput (Parent of Katheryn Rajput)
I Sunflower

Here is the insight of the interview taken by the school newsletter, Podar Sentinel's reporter Ms. Aarya Ghuge. It was an attempt to know the views of foreigners about our country.

Question: What do you love the most about India?

Answer: I would say what I love most about India is the value of family. In India, it is common to see a joint family household; children living with their parents beyond 18 years of age, and families care for the little ones. In America, it is common to see grandparents, parents and children live apart from one another. So it is nice to see a change in family dynamics.

Question: What do you think are some of the misconceptions Americans have about Indians?

Answer: There are many misconceptions that Americans have about Indians. Some Americans think that India is a poor country. In America, a lot of what a person owns is through financing, credit, or loans. In India, I know a lot of people who save their money and pay for things without financial help. From one point of view, Americans may have nice things, but Indians have fewer debts and more savings for their future.

Question: As an American living in India, what are the questions you get asked frequently?

Answer: Many people ask me if I am enjoying in India. My answer is always yes! One thing I really enjoy about India is the festivals. Celebrating Diwali, Holi, Raksha Bandhan, and I've come to know that in certain areas of America, they have started celebrating Holi. I'm sure they will adopt more festivals in the near future.

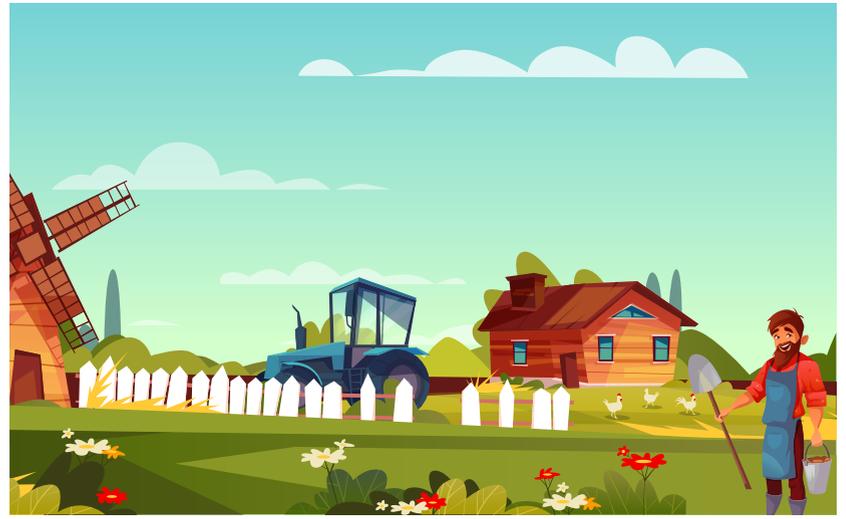

Question: Have you watched any Indian movies/TV shows / stand up comedy shows? If yes, which one is your favourite?

Answer: I have watched an average amount of movies, shows, and stand up from India. I wouldn't say I have a favourite, but I will say that I like India's entertainment industries. Most entertainers are strictly picked for their talent and determination. America is a bit shallow. A person's appearance is of the higher importance than his/ her abilities. In that aspect, I wish Hollywood could be a bit more like Indian Cinema

Question: Which place would you like to visit in India and Why?

Answer: Goa will be my next place in India to visit. I am from Florida, so it is nice to compare the beautiful beaches of Florida to other places with well-known beach areas. I have had the pleasure of visiting many places already and have been fortunate to see Taj Mahal, Golden Temple, the white peaks of Manali and much more. India has so many wonderful places to visit.

That was really a great time with you, Ma'am. Thank you very much.

Opportunities In The Agricultural Sector

Flying towards Agri-Culture

Ashwini Ingalkar (Parent of Wanshika) V Nilgiri

We very well know that India is an Agricultural country and about 60% of its population depends on agriculture. It means we have an ample opportunity to develop in this field with the help of technological advancements. In Nasik, we have many institutes providing Agro training and hands on experiences. We should encash this golden opportunity. Now days, Organic farming is the new trend. Many industrialists and exporters are thriving to grow in this field.. After X, one can go for Agro diploma. After XII, you can do B.SC, MSc Agri, Biotechnology, horticulture or ABM. In short, in the coming years, organic farming will be the talk of the town.
