WORLD EARTH DAY 2024-25

"Celebrating Earth Day each year is vital because it recognizes the harm caused to the environment while showing support across the globe for protecting the Earth.

"The earth has music for those who listen" - William Shakespeare

Grade I (Shift A) and Grade 3-4 (Shift B) performed a special Assembly on "Earth Day" on 2nd August, 2024.

2024-25
DEBATE COMPETITION

"Debate is not about silencing opponents, but illuminating the path to understanding through the exchange of diverse perspectives."

"The power of debate lies not in winning, but in the sharpened minds and broadened perspectives it leaves behind."

THE MONTH OF AUGUST

INDEPENDENCE DAY 2024-25

Podar International School, Pimpri (ISC), celebrated Independence Day with patriotic fervor. Students performed cultural acts, delivered speeches, and hoisted the national flag, honoring the nation's freedom and its heroes.

"True independence lies not just in political liberty, but in the freedom of thought and action that empowers every citizen."
