### PODAR VOLUNTEER PROGRAM

The Podar Volunteer Program is designed to encourage our students to contribute meaningfully to their communities. It instills the belief that even small initiatives can lead to significant changes and make the world a better place. The collected items, including stationery, and toys for kids were handed over to the AIM Seva .

♥ SUPPORT ♥

“You make a living by what you get. You make a life by what you give.”

The drive, held on 17 February 2025, was a wonderful success and a valuable experience for our students. The students from all grades contributed generously.
