# THE MONTH OF JULY

2023-24

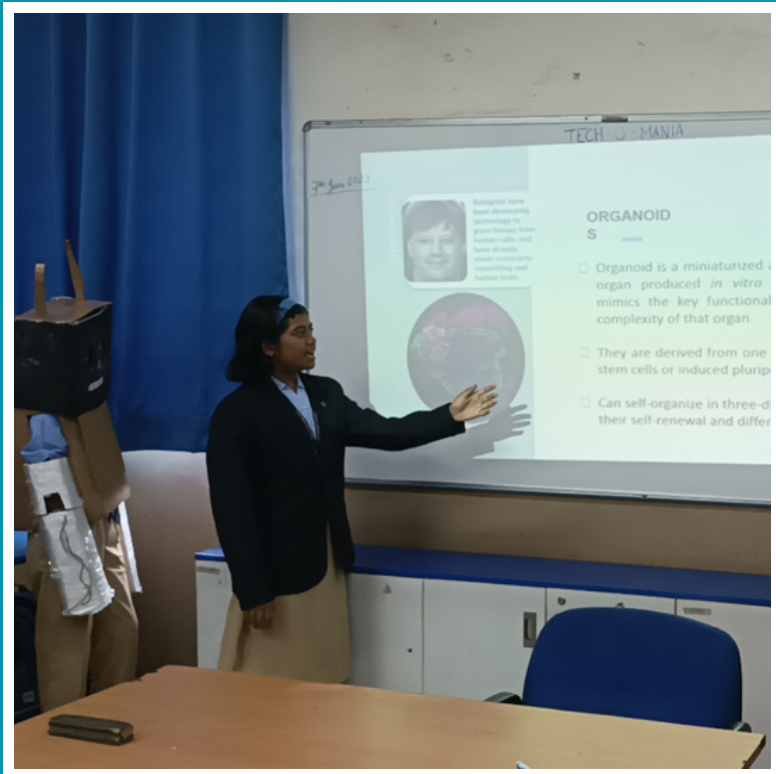

## Tech-O-Mania

7 July, 2023

Technology is everywhere, from the mixer grinder in your kitchen to the smartphone you are reading this on.

It was a great opportunity for students to display their work on various tech.

Students prepared an informative presentation on tech from our past how we have come so far in this field.

## More about the event

Students had their speaking skills engaged while presenting their innovative ideas in front of the judges.

# Chess Competition

on 8 July, 2023

A Grandmaster and a great Indian Chess player Mr. Abhijeet Kunthe was invited to conduct a workshop for the young chess players from PIS, pimpri.

Great participation of students from all the grades was seen in the competition .

The staff helped in organizing and managing the event. Mr. Abhijeet Kunthe interacted with them too.

## More about the event

Mr. Abhijeet Kunthe interacted with the students and astonished them with his great winning moves. The little chess players learned a lot from him.

# Anger and Stress Management

On 27 July ,2023

An anger and stress management session for the teachers was conducted by the Counselor. They were given techniques and strategies to deal with their anger.

All the teachers cooperated in the activities conducted by the counselor.

# Fire Mock Drill

on 27 July, 2023

The ultimate goal of the fire mock drills is to test and improve the entire capability of the students to be alert in case of any fire emergency.

A great demonstration of extinguishing the fire was shown by the staff to the students.
