

# Podar International School, Pimpri

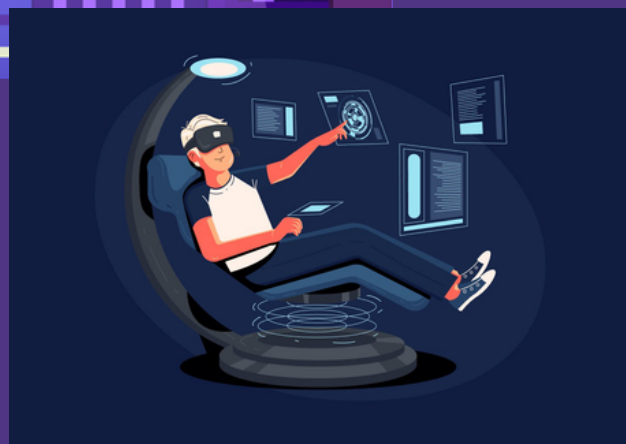

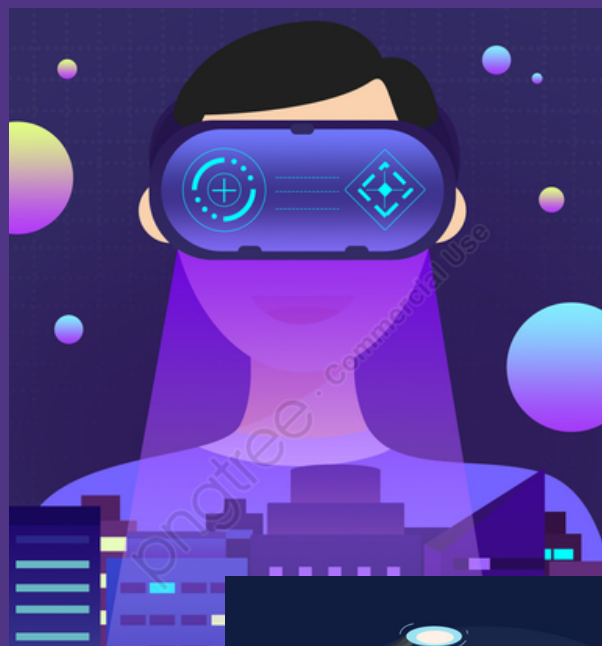

## THE MONTH OF JUNE

2023-24

### National Technology Day

National Technology Day is a significant day in the calendar.

This Event was celebrated in the School on 15th June, 2023. This day is to recall and appreciate the contributions of scientists, researches and inventors in the Indian science and technology field.

A special assembly was conducted by our students on the importance of Technology in our life.

Interaction between the students that helped them understand more about the diversity of technology, and the different uses of it, how it can make our lives easier.

Followed by a speech by our respected Principal Madam. Talking about how human kind can depend on technology for anything.

# International Yoga Day

International Yoga Day has been celebrated across the world annually on 21st of June since 2015.

Yoga is a physical, mental, and spiritual practice which originated in Ancient India.

Students indulge in a Yoga session in the school premises, with various Asanas

Students Learning various forms of breathing techniques like Pranayama that help to energize and keep calm.

Students showcase their amazing flexibility in the form of different Asanas that are performed in Yoga.

# World Music Day

World Music Day is celebrated every year on 21st June to celebrate and promote the global language of music, and to bring people of different nationalities and cultures through music.

The day is also known as Fête de la Musique, originated in France in 1982

Students put up an outstanding performance for the event.

# House Competition

House  
competition was  
conducted on the  
23rd of June.  
With the topic of  
“Is technology a  
Curse or Boon?”

Excellent participation  
and input was seen from  
the students.

# Lesson Observation of Teachers
