CHILDRENS DAY

With delicious dishes and innovative ideas, they showcased their talent and thoroughly enjoyed a day dedicated to them. Their vibrant creations and youthful ingenuity filled the air with delightful flavors, making it a memorable celebration of their budding culinary skills.

"Life is full of colours and laughter because of children. Here's to celebrating their innocence and joy!"

Our school celebrated Children's Day on 14th November with an exciting 'Flame-less Cooking' activity that brought out the creativity and enthusiasm of our students!

JUMPSTART ACTIVITY

Students meticulously analyzed visual sequences, predicted subsequent elements, and articulated emerging geometric relationships. The hands-on session fostered critical thinking and spatial reasoning, effectively setting the stage for deeper ISC curriculum exploration.

On November 10th, 2024, Podar International School Pimpri (ISC) launched a dynamic jumpstart activity using pattern prisms.
