Instructions for Students

- Participation in literary activities is strongly encouraged.
- Students must start preparing for the activity as per the dates mentioned above.
- Participants should maintain originality and avoid copying content from external sources.
- Students must adhere to the time limits, guidelines, and evaluation criteria shared by the teachers.
- Required costumes, props, charts, notebooks, or other materials should be arranged well in advance wherever applicable.
- Students should demonstrate confidence, creativity, discipline, and respect towards fellow participants.
- The **three best entries from each class and section** will be considered for the award of House Points and may also be selected for display on school notice boards, social media platforms, newsletters, magazines, and other school publications.
- Students may be assessed on: 1. Content and Relevance (10 points), Creativity and Originality (10 points), Language Usage (10 points), Confidence (10 points), Presentation Skills (10 points), Voice Clarity and Pronunciation (10 points)

Let us work together to make this literary journey exciting, meaningful, and enriching. We look forward to your active participation and enthusiastic involvement throughout the year.
