### Participation in MyGov Activities

Dear Students,

We are pleased to inform you that the Government of India, through the MyGov portal, offers a variety of engaging and educational activities for students. These include quizzes, competitions, creative contests, and awareness campaigns on important national and social themes.

All students are encouraged to actively visit the platform and participate in activities of their interest. These activities will help you:

- Enhance your knowledge and awareness
- Showcase your creativity and talent
- Contribute towards nation-building initiatives

#### **Instructions for Students:**

1. Visit the MyGov portal and explore the available activities.
2. Register and participate in competitions suitable for your age group.
3. Complete the activity sincerely and submit your entries as per the guidelines.
4. After participation, **share your certificates or achievements with your Class Teacher.**
5. You are also encouraged to share your achievements on your parents' Facebook account by tagging:

**Podar International School, Samastipur**

Let us take pride in being responsible and active young citizens. Your participation will not only bring recognition to you but also to our school.

Best wishes to all participants!

Warm regards,

  
**Principal**
