Discontinuation of WhatsApp Groups – Effective Immediately

Dear Parents,

Greetings from PIS, Samastipur!

We wish to bring to your kind notice that the class WhatsApp groups will be suspended with immediate effect. Going forward, all communication with the school can be carried out through the **Loop Learning App** and **BetweenUs App**.

In case you face any login issues or require assistance, please feel free to contact the respective class teachers.

To ensure a smooth and uninterrupted transition, we request you to update your registered email ID and mobile number with the school at the earliest.

This decision has been taken in line with our commitment to protect the privacy of students, parents, and teachers. It will also help prevent the sharing of personal mobile numbers and profile pictures, thereby maintaining a secure and professional communication environment.

We appreciate your understanding and cooperation in this matter.

Warm regards,
Principal
