Dear Parents,

We are pleased to invite nominations for the **Parent-Teacher Association (PTA)** for the current academic session. The PTA plays a vital role in fostering a strong partnership between the school and parents, aimed at enhancing the overall development of the school and the well-being of our students.

Key Guidelines for PTA Membership:

- One parent representative will be selected from each grade and section.
- We encourage equal representation, with 50% of the members being female parents.
- Interested parents may self-nominate for membership by submitting their details through the registration link below.
- In case the number of nominations exceeds the required number, a draw will be conducted to ensure fair selection.
- Selected members will be required to provide a consent confirming their willingness to:
 - Attend scheduled PTA meetings.
 - Participate actively in school initiatives.
 - Support and contribute to the holistic development of the school and its students.
 - The final selection of PTA members will be the sole responsibility of the school administration, and all proceedings will be carried out with a high level of confidentiality.
 - Submission of registration does not guarantee selection.
 - Once the final list of selected members is published, no requests or appeals regarding the selection will be entertained.
