Remedial Classes for Students in Need

Dear Parents,

Greetings!

We are pleased to inform you that the school will be offering **Remedial Classes** for students who require additional academic support. These sessions aim to help students strengthen their understanding of various subjects and improve their overall performance.

Details of the Remedial Program:

- **Days:** Monday to Friday (excluding holidays and major event preparation days)
- **Time:** 2:45 PM to 3:45 PM
- **Eligibility:**
 - Students identified by the school as needing academic support.
 - Any other student who wishes to voluntarily attend for additional help.

Important Points to Note:

- Attendance in remedial sessions is optional and based on the student's need or choice.
- Parents must make their **own arrangements for the pickup/commute** of their child after the session ends at 3:45 PM.
- Teachers will be available during the remedial hour to provide focused academic assistance and guidance.
- **Parents are required to submit a written consent** allowing their child to stay back for remedial classes.

We encourage parents to motivate their children to make the best use of this opportunity. Kindly submit the written consent to the respective class teacher at the earliest. For any further information or clarification, please feel free to contact the class teacher.

Thank you for your continuous support and cooperation.

Warm regards,
Principal
