Welcome Back After Summer Vacation!

Dear Students,

A warm welcome back to school! We hope you had a joyful, relaxing, and safe summer break. It's time to return with new josh and enthusiasm as we begin an exciting new term filled with opportunities to grow, explore, and excel.

This term, you'll notice several new additions and changes:

- A few new teachers have joined us to make your learning journey even more engaging.
- Hobby Classes and Club Activities will now be a regular feature to help you discover and nurture your talents.
- Our teaching-learning process has been enhanced with more focus on experiential learning, research-based projects, real-life relevance, and critical thinking.
- Morning assemblies are now SDG-aligned (Sustainable Development Goals) and are already underway.
- Skill-building programs are being introduced to equip you with practical and future-ready abilities.

Please take note of the following important guidelines:

1. Time Table: Go through your timetable carefully and pack your school bag strictly as per the schedule.
2. Food & Hydration: Carry healthy snacks for both fruit break and lunch. Don't forget a cloth napkin to place over your desk while eating to avoid soiling.
 - Note: The canteen facility has been terminated; please rely on healthy, homemade food.
 - Carry your water bottle and drink water frequently to stay hydrated.
3. Dress Code: Dress neatly in school uniform. Neck ties are optional until further notice due to ongoing heat conditions.
4. Holiday Homework: Submit your holiday homework to the respective subject teachers. Remember to collect it back after it is assessed.
5. Section Updates:
 - In Grades 3, 7, 9, and 10, a 5th section has been created to reduce overcrowding.
 - Section allotment will be done through a transparent lucky draw system.
 - No requests for section change will be entertained, except in cases of a genuine reason.
6. Communication Updates:
 - The WhatsApp Group has been discontinued to ensure privacy of students and parents.
 - We have now shifted to WhatsApp Broadcast.
 - Please ensure that you save your Class Teacher's number in your contact list to receive important messages.

We are truly excited to see you all back in school. Let's step into this new term with energy, discipline, and a positive mindset.

All the very best — and once again, welcome back!

Warm regards,
Principal
