Dear Parents,

We are delighted to share that our school has introduced a new initiative wherein students present the morning assembly based on the United Nations Sustainable Development Goals (SDGs). This initiative aims to raise awareness about global issues and foster critical thinking, creativity, and communication skills among our learners.

Students are actively participating with great enthusiasm, and each class is working hard to make their presentation impactful. They undertake research work, prepare informative displays, write inspiring speeches, take pledges, and share relevant data and statistics, making each assembly meaningful and engaging.

We would like to extend a warm invitation to all parents to witness the assembly when your ward's class is scheduled to present. Your presence will surely motivate the students and encourage their efforts.

Please note that this is purely optional and not mandatory. You are most welcome to attend as per your convenience.

We look forward to your encouraging presence and continued support.

Warm regards,  
Principal
