Update on Student Council Selection Process

Dear Students and Parents,

It has come to the notice of the school authorities that, due to certain technical errors, a few students' names may have been missed out during the recent voting process for the Student Council.

We wish to assure all students and parents that the matter is being **carefully reviewed**, and if required, a **revoting process** for the affected posts will be conducted in due course of time. The school remains committed to ensuring a **fair and transparent selection process**.

We also take this opportunity to reiterate that the **Student Council selection process** is conducted through multiple structured steps:

1.	Nomination of Candidates	(Weightage)
2.	Voting by Students	30%
3.	Review of Past Records – Including discipline, punctuality, and responsibility	15%
4.	Group Discussion	20%
5.	Personal Interview – With the Selection Committee	25%
6.	Final Panel Approval and Declaration of Result	10%

Please note that the decision of the Selection Committee will be final, and no requests for changes or amendments will be entertained after the final list is published.

We seek your cooperation and understanding in making this process smooth, impartial, and respectful of the school's values.

Warm regards, Principal
