Parent Advisory – Hobby Classes (Sporting Activities)

Dear Parents,

This is to inform you that as part of the school's Hobby Classes, various sporting activities such as Football, Skating, Cricket, Volleyball, Self-Defence, and others have been included. These activities are designed to enhance the physical fitness, confidence, and team spirit of our students.

While every effort will be made by the school to ensure optimum safety precautions, it is important to understand that such activities involve a degree of physical exertion and may carry the risk of minor to major injuries.

The school shall not be held responsible or accountable for any such incidents unless it is established that the same occurred due to a major lapse in the school's safety protocols.

- If you wish to continue your ward's participation in these classes, no action is required on your part.
- However, if you prefer to withdraw your ward from these activities, kindly share your written request with us so that necessary arrangements can be made immediately.

We look forward to your cooperation and understanding in providing students with safe and enriching learning experiences.

Warm regards,

Principal
