Aadhaar Card Requirement for APAAR ID Creation

Dear Parents,

As per the directions of the **Ministry of Education, Government of India**, it is mandatory for all students to have an **APAAR** (**Automated Permanent Academic Account Registry**) **ID**. This will serve as a **unique lifelong digital ID** that records every student's academic achievements across schools, boards, and higher education institutions.

To generate the APAAR ID, every student must have a **valid Aadhaar Card**. We therefore request all parents to kindly ensure that their child's Aadhaar Card is created/updated at the earliest.

Key Points to Note:

- 1. APAAR ID will be linked with the student's **Aadhaar number**.
- 2. It will help in maintaining a **secure digital record of academic progress** throughout the child's education.
- 3. APAAR ID will make school transfers, scholarship applications, and higher education admissions more convenient.
- 4. Aadhaar is also essential for availing various government schemes, benefits, and scholarships.
- 5. Parents are requested to **update Aadhaar details** (if there are any changes in name, date of birth, or address) before submission.
- 6. A clear photocopy of the Aadhaar card should be submitted to the class teacher/office.

Last Date for Submission of Aadhaar Copy: 04/09/2025

Parents whose wards do not yet have an Aadhaar Card are requested to visit the nearest **Aadhaar Seva Kendra** at the earliest for enrollment.

We seek your **wholehearted cooperation** in this important national initiative for the smooth creation of APAAR IDs for all our students.

Note: Parents need to submit a valid ID card (AADHAR/PAN/VOTER ID/ DRIVING LICENSE/PASSPORT) for the verification.

Warm regards,

Principal
