Prohibition of E-Rickshaws and Driver Entry Protocol for Student Pickup

Dear Parents/Guardians,

As per the recent directives issued by the Government of Bihar, the use of **E-Rickshaws for transporting students has been strictly prohibited**. In compliance with this regulation and keeping the safety of our students as our top priority, the school administration has decided **not to allow E-Rickshaw drivers within the school premises for student pickup**.

Furthermore, **the entry of all drivers into the school premises has been restricted** to ensure enhanced safety and security of the children.

In view of this, we request all parents/guardians who wish to have a driver receive their ward from school to kindly submit a **written application** to the school office. The application should include the following **driver details**, duly verified by the parent/guardian:

- Full Name of the Driver
- Aadhar Card (photocopy)
- Driving License (photocopy)
- Recent Photograph of the Driver
- Vehicle Number and Type

Only after receiving and verifying the above documents, the school will allow the driver to pick up the student from the designated area outside the school gate.

We seek your cooperation in implementing these safety measures effectively. Thank you for your understanding and support.

Warm regards,
Principal
